Our evolving Trust has an exciting opportunity within the HR Dept. We are looking to recruit an HR Manager to support the Head of Performance & People in the implementation and maintenance of the HR function/systems across the Community Inclusive Trust to ensure the aims and objectives of the Trust are met.

The Community Inclusive Trust (C.I.T) was formed in 2014 and currently has 11 academies across Lincolnshire and is a multi-academy chain that challenges and supports its academies to provide the highest levels of education and care for their pupils.

Across C.I.T we work together through the sharing of staff, expertise, pooling of resources, and the development of each other's strengths so that all employees and pupils have the chance to reach their full potential.

The role is predominantly based in Grantham, Lincolnshire, however, you will be expected to travel to all schools within the Trust. This is an exciting role and you will be taking an active and tangible part in the continued development of our quickly expanding Trust.

For further information regarding our Trust and to download an application pack, please visit our website – www.citacademies.co.uk, or alternatively, please email louise.dell@citacademies.co.uk for a pack.

Fully completed application forms should be returned via email to louise.dell@citacademies.co.uk by 12 noon on Monday 18 March, 2019.

C.I.T is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment. This post is subject to a Fully Enhanced DBS disclosure check.
