## Health Check

Sandon School

20<sup>th</sup> March 2019

### Health Check Team

Claire Buffham -Director of Education for CIT Academies

Aaron Bloodworth -Assistant Headteacher, John Fielding School, Boston

### Health Check Arrangements

The Community Inclusive Trust ensures that each school within the trust has a Health Check on an annual basis. The Health Check forms the basis on which the school's trajectory is measured and is used to assess a full range of school activities. This report gives the results of the Health Check at Sandon School on 20<sup>th</sup> March 2019.

The following areas give an overview of the conclusions reached:

### Overall Effectiveness – OUTSTANDING

Each member of the team completing the Health Check agreed that the school is performing at an Outstanding standard.

### Leadership and Management - OUTSTANDING

The school works hard to support staff with their career aspirations. There is a comprehensive coaching plan which supports all staff throughout different career stages.

It was evident throughout the day that staff feel very well supported and there is a culture of constant improvement with staff being able to take on new challenges in a very supportive environment. This has enabled staff to develop within their roles and feel confident to take on extra responsibilities.

There is a clear focus on development of staff and talent pipelining.

### Teaching and Learning - OUTSTANDING

The Sandon School curriculum document is a comprehensive document that clearly explains the rationale for the curriculum and how it will be implemented sequentially for all three pathways formal, semi-formal and informal.

Enrichment activities are timetabled including Forest School and horse riding. These have been found both to motivate and maximise the engagement of pupils thus ensuring a deep learning.

The cross curricular links are evident within the curriculum and along with the PSD aspects of self-respect, keeping safe, independence and social skills.

The curriculum stretches the more able pupils with particularly high expectations within the older classes.

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
