

# FINANCE

The Finance Team is in place to ensure that schools can concentrate fully on educating and caring for pupils.

- Fully qualified central Finance Team available for support, advice and ensuring your school meets all of financial statutory requirements.

- Access to a School Operations Manager and Finance Administrator to work for your school.

- In-house preparation and maintenance of all payroll and pensions administration and queries.

- Full advantages of economies of scale which, being part of our Trust provides in-school savings on an annual basis.
- Access to significant capital investment for your school assets through the centralisation of ICT and School Condition Allocation grants.
