

SCHOOL IMPROVEMENT SUPPORT

Every school has a Service Level Agreement which details support available from the central education team. They are responsible for the standards of achievement and progress within the schools of the Trust, specialising in Special Educational Needs and Primary and secondary mainstream provision.

- **Strategic Support and Challenge:** Offering tailored support and constructive challenge to Headteachers and Senior Leadership Teams to drive continuous improvement.
- **Ongoing Remote Support:** Access to personalised guidance and support remotely throughout the year, ensuring continuous development.
- **Headteacher Development Days:** Facilitation of dedicated development days for Headteachers to engage in professional growth and peer collaboration.
- **Senior Leadership Training and Coaching:** Providing tailored training and one-on-one coaching to empower Senior Leaders to excel in their roles.
- **Resource Provision for Rapid Progress:** Ensuring schools are equipped with the necessary resources, tools, and expertise to achieve rapid and sustainable progress.
- **Annual School Audits (School Reviews):** Conducting comprehensive annual audits to assess strengths and areas for development, ensuring schools are continually evolving and sharing best practices.
- **Access to High-Quality CPD:** Expert advice and guidance to access relevant, high-quality Continuing Professional Development (CPD) opportunities.
- **Access to Free Staff CPD via LEARN:** Staff can access a broad range of CPD opportunities through LEARN, empowering them to continually develop their skills.
- **Ofsted Mentoring and Guidance:** Offering dedicated mentoring and guidance to prepare for and navigate Ofsted inspections with confidence.
- **Ofsted Inspection Support:** Comprehensive support during Ofsted inspections, ensuring all schools are fully prepared for the process.
- **Economies of Scale:** Creating opportunities for schools to benefit from shared resources and collaborative solutions when similar needs are identified across the trust.
- **Budget Setting Assistance:** Offering expert guidance and support with budget setting, ensuring schools manage their resources effectively.
